Examiner Initiated Interview Summary:

Attendee: Attorney of Record, Mr. Aashish Karkhanis

Date: 7/3/07; 5 PM

A suggestion was made to the applicant to amend the independent claims by including the following claim segment to make the claims in condition for allowance:

- - a single layer filter cloth comprising warp yarns and weft yarns, the warp yarns and the weft yarns being multi-filament yarns;

additional thicker monofilament yarns woven on to the surface of the filter cloth, spaced apart, parallel to and against the weft yarns, so that the thicker monofilament yarns form flow channels between them for filtrate flow - -

Support for the amendment can be found in paragraph 0016 at page 5. It was also suggested that applicant send the amended claims list as attachment to an e-mail, so that the amended claims list can be incorporated into an Examiner Amendment.

This interview summary is being faxed to: (703) 836-2787 as per the instructions received by fax from Mr. Karkhanis. Original with PTO 413B will be entered and sent by mail.
